

2011 Dave's Diggity Dog Festival

October 1st 10:00am – 4:00pm
Greenville's Garst Museum Lawn
205 North Broadway, Greenville, OH

"Have you heard the good news???
Word has it that there's a festival in
town and it's for **THE DOGS!**"

We're bringing the community together to
celebrate our 4 legged friends in a **FREE**, fun,
family-filled environment! So get out of the
doghouse folks & bring a lawn chair & your
dog for a barking good time!

*"Sharp shooter Annie Oakley shot apples off her dog
Dave's head during her shows hence our festival's name!"*

Discovery's Animal Planet will be featuring our
festival on : Animal.Discovery.com
